Pictured above is the fire which destroyed the Sawmill of Lorne Bailey. At the time the picture was taken the fire was at its height. Reeve Roy Brohm can be seen in the foreground.

Bantams Get A Tie In The Second Game

After losing the first game of the All-Ontario O.M.H.A. Bantam Final series 5-4 to Copetown in the game played at the Haliburton Arena last Friday night, the Haliburton Bantams bounced back to gain a 2-2 tie in the second game of the series which was played at Dundas last Sunday afternoon.

The Haliburton team jumped off to a 1-0 lead in the first period on a goal by Cameron Botting, but the Copetown Bantams came back to tie it up 1-1 in the second frame.

In the third period Darrell Stamp put the Haliburton Bantams into a 2-1 lead, which they held until just under six minutes left to play in the game when Copetown tied the game, forcing a ten minute overtime period. Neither team scored in the overtime session and the game ended in a tie with each team gaining

a point.

The Haliburton team carried the play for most of the game and missed on two wonderful scoring opportunities in the ten minutes of overtime. Dennis Good played an outstanding game in the net for Haliburton.

The third game of this final series is slated for Caledonia this coming Saturday night, April 20, starting at 7 p.m. If Copetown can gain a victory or a tie in this game they will be the Ontario Champions, but if the Haliburton squad can win this would force a fourth and deciding back here at the Haliburton Arena this Sunday, April 21 at 7 p.m.

It is far from being over yet, and you can count on the fact that the Haliburton Bantams will be giving it everything they have to bring a championship to Haliburton.

Young Voyageurs Program

Following four very successful Youth Travel Projects in the summers of 1964-67, once again the Departments of Education and Tourism and Information of the Ontario Government are co-operating with the Federal Government in a "Young Voyageurs Program" for the summer of 1968.

The basic purpose of the program is to provide an opportunity for students to visit a region beyond the border of their respective provinces. It is expected that the experience will provide the participating students with a

broader outlook and in increased knowledge and understanding of a sister province.

Miss Susanne Deacon, daughter of Mr. and Mrs. Eldon R. Deacon of Minden, Ontario has been selected from the students of Haliburton Highlands Secondary School to accompany the group from Central and Eastern Ontario to visit the Province of Manitoba for approximately two weeks commencing July 27, 1968. These students will visit communities in Manitoba and will stay with families who are acting as hosts for the incoming students.

Haliburton Lady Celebrates Her 100th Birthday Here

It was 100 years ago on April 13 that Mrs. Eleanor Staples was born in Colloiden, Ontario. Mrs. Staples, who resides with her son and Mrs. Staples in Haliburton, is truly a remarkable woman in every sense of the word. Although she has reached the century mark, she enjoys a measure of health exceptional for a person of such an advanced age. Her friends say that she has the mental capacity of the average person of fifty years.

A doctor once told us that old age had arrived when we start to look back; well, Mrs. Eleanor Staples has not arrived at that stage yet as she prefers to look to the future rather than the past. She keeps right up to date on events as they happen and one of her ambitions is to take a flight to the Carribeans where she has an interest in some property. Mrs. Staples visits her

and neighbours quite frequently and, during the past year, made two trips to Peterborough by car with no ill effects.

Mrs. Staples' friends did not forget her on this notable occasion as many from this village were present at a party given in her honour. Mr. and Mrs. Swift and family came up from Toronto in order to be present.

The Staples family gratefully appreciate the many friends who took time out to be present to pay their respects to this fine lady who has reached the century mark, and to Dr. Good and Dr. Bowmer who from time to time check to see that Mrs. Staples retains her present good health.

The Echo joins the many friends in the hope that Mrs. Eleanor Staples will yet enjoy years of health and happiness.

Well Known Resident Passes

William A. Curry, a well known businessman in this area, passed away in the Ross Memorial Hospital, Lindsay on Sunday, April 14. The deceased had been in very poor health for some time, and despite the fact that he knew his days were numbered he maintained a cheerful demeanor right up to the last.

The deceased was a very successful businessman and spent most of his time in the lumbering business, but also was the owner of a garage and operated a restaurant business at Haliburton Lake for a time.

The funeral service was held from the Mackey Funeral Home in Lindsay on Wednesday afternoon. Interment was made in Riverside Cemetery, Lindsay.

At this time we join with other citizens of the area in extending our sympathy to the bereaved family.

Fire Department Kept Very Busy

The men of the Haliburton Fire Department put in a very busy weekend. They were called out to extinguish ten different fires, and they all started from grass fires.

Some of the fires were in Dysart Township while others were in other municipalities served by the local fire department, with a fire fighting agreement.

Stanley Hollowell Passes Away

The funeral of the late Stanley George Hollowell, a former resident of Gelert for many years, took place on Tuesday afternoon, April 9 from St. John's Anglican Church, Gelert, with interment in the Gelert Cemetery.

The Salvation Army service was conducted by Captain Watters and Captain Milley of Hamilton. Among the relatives and friends attending the funeral were his mother, Mrs. William Lucas of Chatham, his two sons, Stanley and Craig of Hamilton, Mr. and Mrs. Frank Trewin and Miss Edna Trewin of Toronto. All were guests of Mr. and Mrs. Bert Carpenter at "The Narrows" in Ingoldsby.

William C. Scott Speaks At Rotary

William Scott, M.P. for Victoria-Haliburton, was the guest speaker at the Haliburton Rotary Club meeting last Thursday night. Following a short talk Mr. Scott showed some very interesting slides on his recent trip to Africa.

St. George's Celebrates Completion Of New Hall

A series of three special events has been planned by St. George's Anglican Church, Haliburton to celebrate the completion of their new Hall and remodelled Christian Education facilities.

This Sunday, April 21, the special speaker at the Brotherhood of Anglican Churchmen's Communion and Breakfast at 8 a.m. and at the 11 a.m. Service will be the Rev. David McGuire. Mr. McGuire was rector of the Parish of Haliburton from May 19, 1957 to April 20, 1959. He was instrumental along with the late Eric McConnell in organizing the B.A.C. in the Parish. A warm welcome awaits Mr. McGuire and his wife and family this Sunday.

St. George's Day, April 23, will be the occasion for a St. George's Day roast beef dinner and entertainment in the new hall. The ladies of the Anglican Church Women are catering for this event. Several British travel films and songs by Masters George Thayer and Jerry Donaldson and Miss Glenda Burke, along with a sing song, will make up the entertainment.

The climax of the festivities will come at 7:30 p.m. on Sunday, April 28 when the Rt. Rev. H. R. Hunt, Suffragan Bishop of the Toronto Diocese, will officially dedicate the new hall. All friends of St. George's are invited to this Service of Dedication and the reception that will follow.

One Person Was Injured In Mishaps Probed By OPP

LINDSAY (ENS) — One person was injured in nine accidents investigated by Provincial Police in the Counties of Victoria and Haliburton from March 31 to April 6.

The injury occurred in the Lindsay Detachment area. Officers here investigated three accidents which caused damage of \$200.

Damage in three accidents in

the Minden area was estimated at \$245, and property damage totalling \$1,820 resulted in three accidents in the Cobocook Detachment area.

The Fenelon Falls Detachment office recorded an accident-free week.

Total number of miles patrolled was 22,200, and the number of hours spent on patrol amounted to 554.

Good News

Taxes Coming Down

In the last election campaign the Robarts Government promised to give every home and farm owner in Ontario relief from payment of municipal taxes on the first \$2,000 of equalized assessment.

In conversation with Reeve Roy Brohm of Dysart, we were informed that the average home and cottage owner will have their taxes reduced to the extent of \$36.00 immediately. Some people in this municipality whose taxes are below \$36.00 will pay no taxes whatever. The above reduction we might add does not apply in the case of commercial property.

In cases of localities where taxes are much higher than in Dysart the reduction could amount to as much as \$60.00.

The small owner who has been

suffering from a steady increase in taxes over the past ten years will, we are sure, welcome the news that relief is in sight for him.

Two Fires At The Same Time

On Sunday afternoon the Monmouth Volunteer Fire Department were out in full force when they were called to two fires at the same time.

Their truck which is stationed at Tory Hill and manned by men from that area controlled the bush fire on the west side of Wilberforce, while the other truck and men were busy quelling a bush fire in the Harcourt area.

HALIBURTON NEWS LETTER

Last weekend saw more visitors here than any other Easter weekend that we can recall. Local businessmen say that the Saturday following Good Friday was the busiest that they ever saw. We are convinced that the weather was primarily responsible and many feel after the past weekend that we could be in for a record season as far as summer visitors are concerned.

however.

Haliburton has another barber as Bruce Sawyer has commenced business in the shop operated by the late Thomas Carnochan. As well as barbering, Bruce will also carry a full line of fishing tackle and cigarettes.

Couple Celebrate 25th Anniversary

Mr. and Mrs. Ken Hess of Ajax celebrated their 25th Wedding Anniversary at the home of their sister and brother-in-law, Mr. and Mrs. Erastus Robertson, on Easter weekend.

Those who attended were Mrs. Hess' brother, Fred Bricknell, and son Michael Bricknell, a friend Nancy, Miss Beatrice Hess and David Howks, all of Ajax. Mrs. Robertson's son, Frank Clark, his wife and children of Hamilton.

We note after reading the Toronto Telegram that Mr. Bruce Henry and some friends went boating in Lake Kashagawgamog last Saturday. The article does not say how long they stayed in

LOCHLIN

Mr. and Mrs. Ken Harrison and girls, also Mr. and Mrs. Russell Hutchinson and Linda, visited with Mr. and Mrs. George Exon over the Easter holiday.

Messrs. Mervin and Sandy Gilbert were visitors to Lindsay last Thursday.

Mr. and Mrs. Ron Burk and boys of Whitby spent the weekend with Cecil and Helen Burk.

Mrs. Raymond Congdon enjoyed a week's visit with Mr. and Mrs. Dave Congdon of Parry Sound.

Mr. and Mrs. Jack Tupling and grandchildren spent the holiday at their summer home here.

Mrs. Orville Hicks and Mrs. Murray Wruth and Jimmie were visitors to Fenelon Falls last Wednesday.

Mr. and Mrs. W. O. Jackson and family and Mrs. Edison Knight spent Saturday evening with Mrs. Ernie Warder and family.

Mr. and Mrs. Lloyd Minaker of Lindsay were weekend visitors to their cottage on the Drag River.

Mr. Ross Dugan enjoyed a week's visit with relatives and friends in the community.

Miss Glenna Minaker spent the Easter holiday with her parents, Mr. and Mrs. Moss Minaker.

Mrs. Ed Minaker of Dorset and Mr. and Mrs. Orville Hicks were Sunday visitors with Mr. and Mrs. Jim Dugan.

Weekend visitors with Mr. and Mrs. Carl Dugan were Mr. and Mrs. Fred Sawyer of Fowlers Corners and Mr. and Mrs. Bill Davis and family of Whitby.

Mr. and Mrs. Irv Harrison, Hazel and friend of Oshawa spent Easter with Gordon Northcott.

There was a very good turnout to the Easter Church Service. Allison Laurie, infant daughter of Mr. and Mrs. John P. Hill, and Glenda Yvonne, daughter of Mr. and Mrs. Mike Newell, were baptized.

Mr. and Mrs. Jack Shaw and Dougie were Sunday visitors with Mr. and Mrs. Charlie Shaw.

Mr. and Mrs. Mervin Gilbert visited on Friday evening with Mr. and Mrs. Murray Wruth and Mr. Jim Wruth.

Mr. and Mrs. George Minaker and family were weekend visitors with Mr. and Mrs. Mike Newell.

Mr. and Mrs. Orville Hicks were recent visitors with Mr. and Mrs. Ted Francis and Mr. and Mrs. Carl Francis.

Mr. and Mrs. Hartman were weekend visitors to their summer home here.

Mr. and Mrs. Keith Henderson called on Mr. Jim Wruth recently.

Mr. and Mrs. Neil Burk and Andrea were Easter visitors with Mr. and Mrs. Russell Burk.

Mr. and Mrs. Mervin Rivers and family spent Sunday evening with Mr. and Mrs. Mervin Gilbert.

TB And Health Assoc. Meeting

The regular monthly meeting of the Haliburton County TB & Health Association was held on Monday, April 1, 1968 at the Haliburton United Church Hall at 8 p.m., with an excellent representation of members.

Dr. Harry E. Good, Medical Advisor, gave an enlightening report on the OTA Thoracic Workshop which he attended on March 28, 1968.

Mr. W. J. Rea Stinson reported that the next Chest Clinic would be at the Haliburton Legion on April 18, 1968, with Mr. M. P. Waddell as the Association's volunteer.

Mrs. B. Howe expressed the appreciation of the members to Mr. Rea Stinson and Mr. John Dobbie for the showing of "Clear The Air" to the Minden Rotary Club. She also presented new Health Education materials.

Showing of the slides taken by Mr. and Mrs. M. P. Waddell and Mr. and Mrs. H. F. Herlihey whilst attending the International Conference in Amsterdam will take place at the home of Mrs. G. V. McManus on Tuesday, April 9.

Final details of the Annual Meeting to be held on April 30 were ironed out.

The meeting was adjourned and refreshments were served by the hosts of the evening, Mr. Rea Stinson, Mr. Pat Waddell and Mr. John Dobbie.

Township of Stanhope 1967 Auditors' Report

To the Ratepayers, Reeve and Council
of the Township of Stanhope.

We have audited the books and records of your Municipality for the year ended December 31, 1967 and have prepared the attached statements.

We hereby report that in our opinion:

- (1) The financial transactions which have come under our notice have been within the powers of the Municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the Municipality as at December 31, 1967 and the results of its operations for the year ended on that date.

Comment By R. Glen Hodgson, MPP

Revival Of Ontario's Maple Syrup Industry

Early in 1965 the Minister of Agriculture directed the Ontario Food Council to examine the potential of the Province's maple syrup industry. The Council completed a survey and concluded that there was tremendous potential for farm income here that was not being utilized. On the basis of this conclusion, it was decided to embark upon a development program.

A working inter-departmental committee was established with representation from the Departments of Lands and Forests and Agriculture and Food. In 1966, after a very successful season of production had been experienced, a series of regional meetings was held across the province to bring the producers together. From these meetings developed an organization known as the Ontario Maple Syrup Producers' Association with local branches across the Province.

At present, official grade and marketing standards for maple syrup in Ontario are being established under the Farm Products Grades and Sales Act.

At the same time, a four-pronged program of grants and loans has been undertaken to develop the industry to its full potential.

First, the ARDA directorate of the Department of Agriculture will undertake to provide an annual grant of \$6,000 to the Ontario Maple Syrup Producers' Association.

Second, the capital grants program of the Ontario Department of Agriculture and Food has been extended to provide grants of up to \$1,000 for 1/3 of the cost of construction, renovation or enlargement of sugar camps.

Third, — and again under the ARDA program — a sum of \$100,000 has been set aside to be made available to individual producers in the form of interest-free loans for the purchase of equipment. These loans will be made on the basis of 50% of the cost of this equipment to a maximum loan of \$2,000 repayable over a period of ten years.

Finally, the Department will consider the provision of direct capital grants to groups of producers who wish to establish central facilities for the evaporation, processing, packaging and selling of their maple products. The Government is prepared to provide these grants to the extent of 50% of the cost of such facilities, with a maximum grant of \$12,500.

\$95 Million Authorized For
Junior Farmer Loan Corporation
The Ontario Cabinet has authorized

the Provincial Treasurer to advance up to \$95 million to meet estimated capital requirements of the Ontario Junior Farmer Establishment Loan Corporation.

The program of loans to help young qualified farmers establish, develop and operate farms was started in 1952.

Expenditures exceeded revenues in the year ending March 31st, 1967 by \$428,679. The Corporation's deficit totalled \$755,646. Assets increased to \$60,452,279 from \$43,481,931, and included mortgage loans in 1966-67 of \$59,339,929, and in 1965-66 of \$42,575,369.

The capital advance received from the Treasurer in the year ending March 31st, 1967 was \$46.8 million, compared with \$30,589,569 the previous year.

At the end of the 1966-67 fiscal year, the Corporation had 4,459 loans outstanding.

Government Support For Medical Research

The Ontario Department of Health is sponsoring a \$175,000 research project which could bring important changes in the pattern of medical care in many Ontario communities. The study will focus on a group community health centre sponsored by the United Auto Workers in St. Catharines.

The Centre, which will be opened in the late fall, will provide comprehensive medical and ancillary services, ranging from public health nurses to social workers, for approximately 4,000 union members.

The grant to the St. Catharines and District Community Group Health Foundation will focus on the demand, quantity, cost and quality of medical care in the new Community Health Centre.

The Centre will offer under one roof the services of a staff of general practitioners, specialists, optometric services, laboratory and x-rays, health education, nutrition and social services.

The three-and-a-half year study at the St. Catharines Centre will seek to improve the team concept of providing health care in a comprehensive medical program.

Fifty-nine medical doctors and scientists at 16 Ontario universities, hospitals and clinics have been awarded Cancer Research Grants amounting to \$701,395.

The grants were announced on April 4th by the Ontario Cancer Treatment and Research Foundation. The funds come from the Provincial Government, and from donations to the Foundation.

A wide range of studies involving radio therapy, chemotherapy and surgery will be financed by the grants.

Licensing On Snowmobiles

Snowmobiles are now to be registered, and will carry provincial licence plates as a result of a Bill given first reading in the Legislature on April 4th.

The Minister of Transport stated that the new legislation is to identify owners of motorized snowmobiles for the purpose of applying regulatory control in the interests of public safety.

The Bill gives the Transport Department authority to designate certain highways for snowmobile use, but otherwise they will not be permitted on highways.

Persons driving snowmobiles will not be required to have operators' licences, although insurance must be carried when the vehicles are driven on designated highways. Persons under 16 may not drive them on highways at all.

Municipalities may permit or prohibit the use of snowmobiles on roads and streets in their jurisdiction.
April 11, 1968.

Camp Sites

ELEPHANT LAKE

Discover new freedom, 2100 acres with approximately 3000 feet of shoreline. Two furnished cottages, one new. Timber to build with or apply to purchase. Roads in. Asking \$96,000.00, less for cash.

SUGAR AND SPICE

by Bill Smiley

OH, TO FLY ONCE MORE

We used to have a superstition in my air force days about things happening in three's. Everything would go along well for a week or two, then the roof would fall in. We'd lose three pilots in one day.

Or one pilot would have three extremely hairy experiences in a row: a bail-out, a crash-landing, a fire.

It happened often enough so that you began to believe in it. In war-time superstitions tend to become principles. It happened to me. One day I was hit by everything but the kitchen sink and came home with 32 holes in my aircraft, including one about 18 inches in diameter, and just two feet from my seat. I had to land without flaps and brakes. Nothing much left except a chewed-up piece of metal, almost useless, and a white-faced pilot, almost equally useless.

Next day, one of my bombs developed a hang-up and I had to land with the thing, detonated and ready to blow, dangling under my left wing. This didn't improve my morale much, either.

People started avoiding me. The third day I was shot down and taken prisoner. Met Paddy Byrne of Dublin, one of the few survivors of my squadron, in a London subway station after the war, and he told me the boys were running a pool on when I'd get it.

But that was in the old days, when men were men, and boys were terrified. At least I was. However the war was peaceful compared to present days. Now things don't come in three's, but in sixes and sevens.

Same pattern. Things go along OK for a while and then the gods clobber you with everything they have.

The other night, for example, Kim and I were preparing for one of our exotic dinners. It was a peaceful, domestic scene. She was playing the piano. I was right on top of the dinner. The rainbow trout were crisping nicely, the baked potatoes were baked, and I was just giving the canned corn that extra little stir that makes it so delicious, when the doorbell rang.

It was our neighbour. The one on the left, where the bank robbers were caught last year. It was about 30 degrees outside, and his internal temperature

was around 212. He wanted to use the phone. He was about to kill the man on the other side of his house because he was needing him. He phoned his Mom asking her to come and stop him.

It's rather difficult to avoid hearing this sort of thing when you are five feet away, poking the potatoes and flipping the fish. Anyway, two hours and a couple of beers later, I hadn't had my dinner, but my neighbour had and he was cooled out enough to go home to bed.

Well, that's the way things went all week. Next morning I almost murdered myself, putting out the garbage. The cans are in a little stoop, with a lid over it made of two-by-fours. I pushed back the lid and started to wrestle out one can, which was frozen to the bottom, when the damn lid fell, clunked me on the forehead almost knocking me senseless. Dripping blood, I staggered off to work.

That weekend I was caught in one of those last-kick-of-winter storms and died a thousand deaths, creeping through wind and snow and drifts, a four-and-a-half-hour trip that normally takes two hours.

Had a fight with my daughter, which she won. My wife is having an operation. My piles are screaming. The back-yard, because we didn't get the leaves raked last fall, looks like Hiroshima. Ten people want me to have a committee meeting about nothing. We had a cloud-burst and my cellar's full of water. Half the light bulbs in the house are burnt out and you need a ladder to replace most of them. I nearly cut my entire upper lip off when I slipped on soap while shaving. And I haven't paid or even thought about my income tax.

I wonder whether they take old guys back into the air force, where things only happen in three's.

Did You Know

Ontario Hydro is constantly buying power from and selling power to interconnected utilities in the United States, when it is most economical? Rather than being an importer of electricity, however, the Commission generally winds up selling more than it buys.

Remainder Of Cast Of 'Mary Poppins'

Owing to the lack of space, we regret that last week we could not publish the complete list of characters from the musical play "Mary Poppins". Following are those members of the cast whose names did not appear in last week's edition:

The Bank Directors - Keith Wilkinson, Randy Barnum, Larry Hewitt, Robbie Bishop.

The Chimney-Sweeps - Mark Schell, Randy Barnum, Louis O'Hara, Larry Robinson, Allan Bull, Paul Douglas, Will Upton.

The Little Animals - Warren Donaldson, Richard Burke, Kim Emmerson, John Cadell, Sylvia Brown, Jocelyn Brown, Mark Thayer, Leonard Hodgson, Norah Good, Jennifer Brown.

Reporters and Bank Tellers - David Mack, Peter Douglas, Gordon Carr, Reg Tyler, Dale Howe, David Nimigon.

Nannies and Customers - Cathy Wood, Kim McElwain, Julia Howe, Leslie Sisson, Cheryl Emmerson, Karlene Sisson, Marianne Hodgson.

The Choir - Susan Davidson, Debbie Andros, Kathy Barjarow, Wendy Kinsman, Janet Young, Patsy Bannon, Lynne Scheffee, Linda Lee Hodgins, Sharon Bailey, Sharon Boughner, Juanita Sisson, Linda Johnston, Sherry Bird, Debbie Stamp, Penny Hartin, as well as the Nannies and Customers listed above.

This concludes the list of the supporting cast whose excellent performances helped to make the musical play an outstanding success.

How to relieve BACKACHE

CHURCH NEWS

LINDSAY PRESBYTERY MEETING HELD

"We should make our churches fit Him rather than make Him fit our churches" said Mrs. F. Robinson, referring to Christ. Mrs. Robinson made the comment while, with Mr. W. E. Rogers, conducting the opening devotions at the meeting of Lindsay Presbytery of the United Church of Canada held at the Cambridge Street United Church on Wednesday, April 3, 1968.

The Presbytery approved the following calls by the Pastoral Charges: Beaverton to Rev. John Neil, Brechin to Rev. Howard L. Beare, and Minden-Carnarvon to Rev. Wesley Oakes.

The Missionary and Maintenance Funds givings of Lindsay Presbytery for 1967 were six percent above those of 1966, reported Rev. David J. Harris of Greenbank. The name Missionary and Service Fund has been proposed as a new name for the Fund.

The Board of Evangelism and Social Service, on certain conditions, has authorized grants for study in international affairs.

An important gathering for teenagers, a Hi-C Conference, will be held in Lindsay from April 26 - 28.

A meeting for the members of Presbytery and other interested persons, for the consideration of the nature of evangelism today, will be held in Haliburton on Wednesday, June 19 at the United Church. Those attending will be asked to fill out a Board of Evangelism questionnaire on evangelism.

With the date yet to be determined, a retreat for the ministers of Lindsay Presbytery will be held to consider the nature of the dissatisfaction of some of the ministers with their ministry in these days.

Elected officers of the Lindsay Presbytery for the Conference Year 1968-69 commencing July 1, 1968 are as follows: Chairman - Rev. Harold T. Martin, Fenelon Falls; Secretary - Rev. Edward W. Todd, Little Britain; Treasurer - Mr. W. E. Rogers, Lindsay.

Addresses Rally

"No place on earth is more than twenty hours away from you" said Dr. Robert McClure, noted medical missionary, when addressing the Lindsay Presbytery Rally held at the Cambridge Street United Church, Lindsay on Wednesday, April 3, 1968. The Doctor thanked those who, by their givings to the Maintenance and Missionary Fund, had helped to make his overseas medical work possible.

Dr. McClure spoke about the rapidly shrinking world, and of how close we are to other peoples who used to be thought of as far away! Some may think that we adapt ourselves unconsciously to this changed situation, but actually we have to work at it. In the years ago he had walked, or cycled, along some of the roads in the Near East, and even in flying over those parts had flown so low that you were led to think of the people beneath. Today by contrast, flying in a jet plane at 40,000 feet, you are apt to give no thought to the people over whom you are flying.

In the days when Dr. McClure started his missionary work it took much longer to travel. The slogan for missionary work was "The evangelism of the world in this generation", but this proved impossible, just as it would for us.

The number of whites, in proportion to the coloured peoples, is decreasing. The Christians of the world are few as compared to the number of non-Christians. This being so, what Christian thing are Christians to do? Dr. McClure said that Christians should flavour life! Christians can't dominate the world but they can flavour it! A Rotarian of Rutlam, India takes tons of rose petals and distills them until he has the concentrated perfume . . . attar of roses. So, if we reduce Christian teaching, down to essentials, it is that God is a God of love. The Christian should show the world God's love by feeding the hungry, educating the ignorant and by helping men to grow more and better food, etc. God appears to a hungry man as a loaf of bread, to a sick man as a hospital, to an

ignorant man, wanting to gain knowledge, as a school, to a thirsty man as water from a drill hole, etc.

A stream in India was tapped by a pump, diesel engine and piping for a sprinkler system. This equipment was given out by the doctor on long term credit but the bill was paid after only two harvests much greater than those previously known.

A cleaning woman, employed by the missionary hospital, had a knee handicap for several years. At last, Dr. McClure insisted that she have an operation if she was to continue her work at the hospital. So successful was the operation that she recovered and found a new dignity in life. In the meantime her son had been helped by a lady missionary to get an education, and eventually graduated from the Christian Medical College, Vellore, India. In time he became a colleague to Dr. McClure in his medical work.

In such ways the love of God flows out into the world, so to flavour it!

* * *

WILBERFORCE U.C.W.

The April meeting of the Wilberforce U.C.W. was held in the home of Mrs. E. Smith, with a good attendance.

Mrs. Smith presented a fine Worship Service on the Easter theme.

Following the business meeting a social hour was enjoyed.

Mrs. E. Sanderson was honoured on the occasion of her birthday, with a cake and gifts. An amusing jelly bean game was played and delicious refreshments were served.

* * *

RUTH DRYDEN MISSION CIRCLE

On Tuesday evening, April 9 the Ruth Dryden Mission Circle held a special meeting on India in the Church, with 13 members and eight visitors present.

President Eva Howe, with the help of the Programme Committee, had decorated the room in which our meetings are held. Streamers of yellow, green and white represented the colours of India's flag. There were posters on the walls concerning all aspects of India, incense burning, and small items placed on tables which showed some of India's handicraft. Pamphlets were also displayed, and any present were invited to take some home to be read later.

The meeting opened with the hymn "From Greenland's Icy Mountains", followed with a reading by Alice Hacker which gave an explanation of life in India.

Prayer by Eva was followed with a short business period. The minutes of the last meeting were adopted as read by Ruby Roberts and the offering was taken.

Prayer by Wilda LaRue was followed with an excellent film on India, which showed the change in many lives brought about by the conversion of one Hindu man.

A Devotional entitled "Alive Forevermore" was then given by Wilda, with the Scripture Reading taken from Matt. 28: 6-8 and the Text Rev. 1:18.

The Christian faith alone points to an empty tomb and claims that its Founder rose from the dead. No resurrection has ever been claimed for Abraham, the father of Judaism, Buddha nor Mohammed. Jesus Christ who has risen from the dead, conquered sin, death and the grave and is "alive forevermore". But there is another sense in which the resurrected Christ lives today: in the heart of every true believer. When we come to Jesus Christ we need to bring everything we have. Our body with all its members, our faculties, our possessions, our heart, our will, are all his. Our very faces should become faces in which the resurrected Christ is to show forth his beauty and glory. Our eyes, our lips, our ears, our minds, our hands and feet should become those of the resurrected Christ. We must be careful how we use our eyes because Christ living in us is looking through them; they belong to the Lord and should never be lent to the devil. Our lips should be used to speak Christ's messages. This means

that the harsh, unkind words remain unspoken. It is not what we say for him that counts but what he says through us. Jesus living in us today listens through our ears, so let us refuse to hear the voice of the tempter, or give sanction to the spread of false reports and idle rumours concerning others. The Scripture says, "Let this mind be in you, which was also in Christ Jesus." May we yield our minds to him that we may know his secrets and be kept in the current of his will. The feet of the Christian should tread the narrow path the Saviour trod, in keeping step with him throughout the earthly pilgrimage. Let us allow the risen Lord complete right-of-way through our whole beings — without reserve, without regret and without retreat. He does not want an apartment in our house — he claims the whole building from cellar to attic.

The meeting closed with the Mizpah Benediction.

Refreshments which were also in keeping with the theme of the meeting were served by hostesses Eva Howe and Ruth Ward. Food common to our friends in India was served, and all present enjoyed the different and delicious food. Eva was responsible for this with the help of Betty Salvatore, who prepared the curried rice. Five of our members were dressed in Indian saris and this also helped to bring out the Indian atmosphere.

Our President deserves much credit and thanks for the great deal of work and thought which provided such an interesting and informative evening. Only those involved realize how much time is spent behind the scenes. Special thanks goes to Betty and Irene and the volunteers who helped to clean up after the meeting and to restore the room for its normal use of prayer meeting and Sunday School.

Celebrates Birthday

A Birthday Party held in honour of Mrs. Mary Godfrey's 81st birthday was enjoyed by many of her sons, daughter and grandchildren at the Grand Hotel in Peterborough on Saturday night.

A lovely supper was served, with a birthday cake made in the shape of the figure 81 with all the trimmings.

Among her many good well wishes, she received many lovely gifts, cards and money.

Except for one daughter, Mrs. Earle Mumford of Harcourt, and a son, Vincent of Elliott Lake, who were unable to attend, Mrs. Godfrey was honoured by all the rest of her sons and daughters, Mr. and Mrs. Lorne Frye, Mr. Jack Quibell, Mr. and Mrs. Peter Dillman, Mr. and Mrs. Clifford Godfrey, Mr. and Mrs. Everett Godfrey, Mr. and Mrs. Mandley Godfrey and Mr. and Mrs. Royce Godfrey. The grandchildren were Mr. and Mrs. Dwain Dillman, Mr. and Mrs. Bob Wakeford, Miss Peggy Dillman, Mr. and Mrs. James Edgar and children, Mr. and Mrs. Bob Quibell, Mrs. Betty Broom, Coleen and Larry Godfrey, Debra, Jayne and Terry Godfrey, Bill Frye and Donna Godfrey.

A special thanks to Mr. and Mrs. Everett Godfrey for planning this happy event.

Mr. and Mrs. Bernard Walsh of Brampton visited with Mr. and Mrs. Arnold Stamp on Sunday.

Haliburton Bantams Lose 5-4 In First Game Of Final Series

The Haliburton Bantams lost a tough one at the Haliburton Arena last Friday night when they dropped a close 5-4 decision to the Copetown Bantams in the first game of the best two out of three series in the All-Ontario Bantam Finals.

Playing before a home town crowd of nearly 700 fans the Haliburton club skated all over Copetown in the first period, and a commanding 4-1 lead at the end of twenty minutes of play. Led by Cameron Botting with three goals and John Wilson with one, the Haliburton team started out as though they were going to drive Copetown right out of the Arena. At this point the question on the minds of the Haliburton supporters was not whether Haliburton was going to win, but by how many.

In the disastrous second period Copetown took over the play with fast skating and fierce checking. Copetown scored four goals in this frame while the Haliburton team were held off the score sheet. The locals not only saw their three goal lead disappear, but found themselves in the awkward position of being one goal down.

In the third period neither team could score as both netminders played outstanding hockey. In this final period Haliburton tried desperately to get the tying goal and although they had several good scoring opportunities they just couldn't do it. Dennis Good, in goal for Haliburton, was taken out in favour of an extra attacker with a minute and thirty seconds left to play in the game. The local Bantams kept the puck in the opposition's end for most of the remaining time and they gave the fans many an exciting moment as they came close to the equalizer on two tries. Final score: Copetown 5 Haliburton 4.

SUMMARY 1st Period

Haliburton - John Wilson, Rick Wood, Jamie Carroll - 0:45
 Haliburton - Cameron Botting, Rick Wood - 2:00
 Copetown - J. Nicholls, B. Lockhard - 2:25
 Haliburton - Cameron Botting, Larry LaPorte - 7:55
 Haliburton - Cameron Botting, Rick Wood, John Wilson - 16:40
 2nd Period
 Copetown - Bryan Earsley - 4:05

Copetown - Bryan Emick - 11:55
 Copetown - Lyle Burniss, Jeff Nicholls - 17:45
 Copetown - Stan Mann, Jeff Nicholls - 19:45
3rd Period
 No scoring.

HALIBURTON

OBITUARY

Friends and relatives of Haliburton and surrounding districts were shocked by the sudden passing of Mr. Howard Dawiourt Johnston at his home on Sunday morning, April 7, 1968. The deceased was in his 57th year.

Mr. Howard Johnston was born at Chandos Township, Apsley, Ontario on July 5, 1911, and was the eldest son of George R. Johnston and Florence E. Tanner.

Mr. Johnston served as a gunner in the Navy during World War II. He married Marion Parsons at St. John's, Newfoundland in the year 1944, and returned to his home near Apsley in June of 1945 after his discharge from Navy service. He later moved to West Guilford in the year of 1951 where he resided at the time of his death.

He is survived by his wife Marion, and children Eleanor (Mrs. Victor Lubbelenkhoff), George Johnston and Bruce Johnston, all of Oshawa, and Daniel, Linda, Nelson and Raymond at home. Another son, Herbert, predeceased through drowning on May 27, 1952, at the age of five years. Howard also leaves to mourn his passing his father, Mr. George Johnston, and mother, Mrs. Florence Ellen, of Apsley; sisters Grace (Mrs. Bruce Mason) of Minden, Della (Mrs. Arthur Reynolds), Marjorie (Mrs. Ross Pommett) and Jane (Mrs. James Robinson), all of Peterborough; one brother, Peter Johnston of Apsley; and one grandson, Victor Lubbelenkhoff of Oshawa.

The funeral service was held in St. George's Church (Anglican) at Apsley, with burial in the Cemetery beside his son's grave.

Pallbearers were friends and Legion members, Mr. Everett Paul and Mr. Murray Barry of West Guilford, Mr. Ernest Tanner, Mr. Victor Tanner, Mr. Ross Johnston and Mr. Lloyd Lean of Apsley.

The John Welch and Son Funeral Home of Minden very kindly and capably conducted the funeral, with Reverend Carder of Haliburton taking the services at the Funeral Parlour in Minden and Reverend Rae of Apsley conducting the church service at St. George's Church, Apsley.

(Bancroft Times please copy)

MINDEN

Guests since last week with Mrs. Harry Welch included Mr. Gerald Welch of Warrenton, Virginia and Mr. and Mrs. Ron Welch and family of Frankford.

Mr. and Mrs. Russell Dart returned last Monday from a six week vacation in Florida.

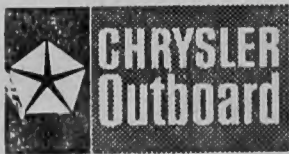

Mr. and Mrs. W. Ross Smyth of Burlington spent the Easter holiday with Mr. and Mrs. R. M. Dart.

CHRYSLER

best power for any fishing boat afloat!

Meet the 9.9, one of the all new fishing engines by Chrysler. Most powerful 'under 10' on the market. Gets you out there where the big ones are. Our new 9.9 has pushed our 14' test boat and driver 23 mph (has even pulled a full grown skier!), yet she'll troll all day with hardly a murmur. Shallows are no problem, either. Chrysler's exclusive Depth Minder drive lets you operate in a mere 6 inches of water... and the spline-drive prop won't pick up weeds, ends shear pin change forever. And just look at that new low-profile design. It's designed to make your carrying, stowing and operation that much easier... lets you fish across the stern, too. When it comes to fishing outboards, Chrysler has the big edge. From the all new 4.4, through the 6.6 and 9.9 to a completely new 20, they're all backed by Chrysler engineering excellence and the famous Chrysler warranty.
